

Diary of a *Diva*

14th November 2020

Hello, my name is Tinkerbelle and this is my diary. First let me tell you a little about myself. I am a beautiful three year old Welsh Pony. I have just started my pre-training for ridden work for when I am a bit older! I love to be the centre of attention, there just isn't anything better! I also like to be groomed to perfection and my mane being kept silky and smooth. I do dislike muddy puddles and getting rained on, after all princesses are not supposed to get wet!

The equine team here at Church Knowle take me for regular walks so that I can experience new sights and sounds. I recently met three super friendly goats called Pepper, Splash and Squeak who came over to say hello to me. I wonder who I will meet next time?

*Until then,
Tinkerbelle X*
