Hello & Welcome

Thank you so much for getting involved in our '60 Years Challenge' as part of the Margaret Green Animal Rescue's 60th anniversary celebrations. No matter how big or small your event is, by fundraising for us, you are directly supporting the animals at our rescue and rehoming centres across Dorset and Devon.

I hope that you enjoy reading through our Fundraising Guide, it's packed full of ideas, top tips, useful information and advice on how to raise vital funds for us. There is so much that you can get involved with, and we want you to get creative, which is why we're asking you to come up with your own '60-themed' ideas. If you get really stuck, you can have a look at some of suggestions on page 4.

Sometimes, the idea of fundraising can seem daunting but that's what we are here to help with... our Fundraising team are experts in this field and will be on-hand for advice and encouragement when needed. The most important piece of advice that I'd like to give you is all money raised, whether that's a small or large amount, is so crucial for the care that we do and we couldn't do it without your support. Whilst you are fundraising for our charity, please remember to have fun along the way and remind yourself how great you are for making a difference!

Yours faithfully,

Nigel Mason

Celebrating 60 years of rescuing, rehabilitating and rehoming animals

Established in 1965, Margaret Green Animal Rescue takes in animals that become homeless due to a change in circumstances. This can include animals that have been mistreated, neglected or abandoned. Regardless of their circumstance, each animal will find a warm bed, a kind team and all the love and respect they deserve.

Each rescue animal receives the highest standard of care whilst they are staying with us.

We provide them with the veterinary care and rehabilitation they may need, so they are ready to go to their forever home.

Our care doesn't stop when our rescue animals leave our centres. After rehoming from us, you can be assured that you will always have our support.

Fundraising Boosters

Set a target

This encourages people to donate and helps to keep you motivated too. Share where the money goes with your supporters, people are more inclined to give money when they know exactly what the money could pay for.

Promote yourself online

The best way to get your story out there is by sharing it. Let everyone you know about your challenge, share your fundraising page on your social media and keep your supporters updated.

Tag us on socials

We would love to share your fundraising ideas, so please tag us in your photos/videos on social media. See page 11 for details and use the hashtag #MGAR60yearschallenge.

Match your funds

Some workplaces now have funds dedicated to charitable causes, so why not ask your employer to match what you raise?

The Money bit

Collecting, handling and submitting money

- You could set up an online donation page. This is a great way to reach more people and reach your target.
- Be confident in asking for donations. Explain why you are raising the money because they are much more likely to engage.
- Encourage people to Gift Aid their donation. If those people are UK taxpayers, the value of their donation increases by 25% with the Gift Aid scheme, at no extra cost. Every £1 donated would be an extra 25p!
- Keep records of all funds raised and activities carried out to raise that money.
- Make cheques payable to 'Margaret Green Animal Rescue' and remember to send us the sponsorship forms you have used.

If you would like to make a payment via BACS or cash please get in touch, contact details are on the back page.

All money raised will go directly towards the care of rescue animals.
