

Animal Rescue Carer Job Description

Job Title: Animal Rescue Carer

Department: Church Knowle

Responsible to: Centre Manager

Location: Church Knowle Rehoming & Visitor Centre, Wareham, Dorset

Main Purpose of the Role

If you would like to be part of a team who is passionate about giving the best possible care to hundreds of rescue animals each year, then we have an exciting opportunity for you!

At our Church Knowle centre, near Wareham in Dorset, we take in cats, small companion animals, equines and farm animals who need to find their happy new home, and provide all the care and support they may need in order to prepare them to start their next chapter.

This role would particularly suit you if you relish being active outdoors, throughout the year, spending time helping deserving animals by offering daily care, training, enrichment and rehabilitation.

Our team is proud to provide great supporter care, and a part of this role includes sensitively helping those needing to rehome their animals, and making wonderful matches with potential new families.

Essential

- Enthusiasm & passion for delivering great care and welfare to rescue animals
- Desire to work well within a friendly & inclusive team
- Happy to share lots of time outdoors with four-legged friends, come rain or shine
- Keen to support animal rehoming processes and deliver high standards of supporter services
- Confident when promoting the work, aims, mission & values of the charity
- Recognition of the importance of representing the charity in a professional & caring manner
- Enjoy carrying out tasks that are physically demanding
- A full, current, manual driving licence

Desirable

- An animal care qualification and / or experience of working (or volunteering) with animals
- Experience within a customer services role
- Knowledge of IT packages (Microsoft and supporter databases)

- Experience of working or volunteering at a visitor attraction
- Previously or currently working or volunteering within the charity sector

Benefits

- Free parking
- Full training given
- Pet insurance discount
- Free access to Employee Assistance Programme
- Build experience with development courses
- Branded uniform provided

Job Details

This is a part time role, which will involve working with us for 15 hours across 2 days a week, on Saturdays & Sundays.

Due to the nature of the work and our resources, it may at times be necessary to exceed these hours when we have an increased workload.

Should you have any questions prior to completing your application, we welcome your enquiry via email: paula.legg@mgar.org.uk

We look forward to receiving your application!

Salary

£8,923.20 per annum.
