We're dedicated to providing the highest standards of care to unwanted, abandoned, and mistreated animals — and we're now seeking a veterinary professional to join our **Board of Trustees**.

As we enter an exciting phase of strategic revitalisation, your specialist knowledge will help shape the future of our charity and ensure the animals we care for receive the very best support.

- Support governance and compliance across our operations
- Collaborate with our Chief Executive and senior team to bridge skills gaps and maximise the impact of charitable donations

We are open to both Veterinary professionals who are currently practising or retired.

What You'll Be Doing

- Attending Board meetings (6 per year, in Dorset/Devon) and occasional online sessions
- Contributing 1–2 days per month to strategic planning and oversight
- Championing best practices in animal welfare and veterinary care
- Supporting the charity's mission to find forever homes for animals in need

♥ What You'll Gain

- A meaningful opportunity to influence animal welfare at scale
- A chance to work alongside passionate professionals and fellow Trustees
- The satisfaction of helping vulnerable animals live healthier, happier lives
